*[inaudible] we're planning ahead, uh, as if the rally's continuing. Ah, as far as what we do tomorrow, that's what we're trying to figure out. Where Enrique's gonna be, how extensive this is, uh, and everything [inaudible] his charges, so. Right now, I want everybody to stand by and not make any moves. Do not wear colors by any means if you're out on the streets, uh, and just assume the worst. Ah, until you hear from me just basically stand by, if you hear any other details please let me know.*

Anybody wanna hop on that was on the, on the ground today, um...if you do, um... and you wanna mask up or whatever, absolutely that’s cool, won’t put your name out there or anything...uh, but let me know if you, if anybody wants to come on.</i></p>
9:29:27 PM	Joshuas Maxstud 1063317522	I am not the noblest of beards, but I do have a beard. I think we have arrived at a major fork in the road. We either continue to escalate and go the 1776 proper route, or we reconsider and try something else. If we go full 1776, people are going to die, and lives are going to be ruined. Maybe that's what it takes, I don't know. The fact that people are trying to say that antifa instigated the capitol ish tells me that they aren't on board with what happened today.

And what they're gonna do tonight is they're gonna certify Joe Biden and they may even fucking invoke the 25<sup>th</sup> amendment. You know? And have Trump removed tonight. Um... who knows? They can--they pretty much proved they can do anything. They shot and killed a woman today. Her fucking life was lost for nothing. For nothing. For people to take selfies in fucking Pelosi's office. We did nothing. So... I mean, you're right, nobody wants to elevate, they don't want to go to that second level yet. And--and today just proved it. It just proved it. That... yeah, um...takes a couple of people...but, you know, the fact that nobody fucking came armed, and--and--and fucking pushed the cops off, and--and had their own fire power, that just proves nobody's ready and everyone's talk.
