1:04:14 AM	Rotten 1220199653	We need to be better organized. Instead of marching in a giant unit that's easy to cut off of we split into groups with coms and GPS tracking we can control our forces better.
1:06:28 AM	BrotherHunter Jake Phillips 774644050	<div></div> <p><i>Uh, yeah, um, I completely agree with this; I actually have a lot to say about that, um... go figure. When we're doing a, uh, I'm gonna call them "seek and destroy" type missions where we have a goal, such as in DC, where we had a target which was Black Lives Matter plaza and we were trying to take it, absolutely, we need to split into smaller groups, probably around 30 people per group. Um, that way we can flank and surround an area, because when we're choked off in grid-type city like that, the streets laid out in perpendicular patterns, its just a box; all they have to do is block off one street with 10 cops. In that kinda case, yes, we should definitely split off into smaller groups.</i></p> <p><i>Now if there's a different kind of thing where we're just doing a march around town, like Kalamazoo-type rally, or we're staying in place, like a Portland-type rally, uh, obviously splitting off from the groups is not necessary. But yes, if we're planning on moving and doing a seek and destroy type rally, um, yes, we absolutely should look into smaller groups, probably around the size of 30. They're quick enough we can scale them to speed of the individuals, like this is a fast group, this is a slow group, these are our young and spry guys that can get there before the cops can move, these are our 40-plus year-old guys with canes and shit that'll get there later as reinforcements, but yeah if we could to that, that would be fuckin awesome.</i></p>
1:09:59 AM	JBone 642479176	This... & This... 🗣️
1:12:18 AM	Captain Trump 454128414	Events will def be much more uniform/organized in the future, especially national events. We don't want DC situations happening again, we're putting a lot of time into getting this right, one of those steps is this chapter here.
1:13:00 AM	BrotherHunter Jake Phillips 774644050	<div></div> <p><i>I see we have, uh, 61 members in here. Do we, by chance, have a representative from each state, at least each state that has significant Proud Boy representation, in here?</i></p>

Shitty beer, and not my basement tonight.</i></p> <p><i>Um... are you guys doing anything for your state chapter, uh, like for your state house rally on the 6<sup>th</sup>? I know some of the guys are still going up to DC and that's great, uh, that's frickin' awesome but, um, guys that can't go, are you gonna think about maybe just goin' and rallying at your state capitol? That's what we're doing. And we're, um, already expecting a pretty decent, um, opposing force. 'Cause our capital's Columbus and some black guy just got shot there, like, a week ago, so they're pissed. But that's what happens, so.</i></p> <p><i>Represent, countrywide. Storm everyone's capitols. Do that in fifty states, they just can't avoid it. Or, maybe they could?</i></p>

3:00:28 PM	Enrique Florida Pb <small>581632416</small>	<p>ANNOUNCEMENT Tomorrow night at 9pm we will be having a live session to inform you guys how this all works. Just because you're in here doesn't mean you will stay in here. The choice will be yours once you hear what leadership has to say. This chapter will have a top down structure. If that's something you're not comfortable with...I'll tell you now...don't even watch the live session. Upper tier leadership consists of six members that are broken up into two sections, Operations and Marketing. Operations: @DasBlackBeard @CaptainTrump312 Rex Marketing: @NobleLead @SSGBiggs69 @REBELRUFIO The second tier will consist of 8 regional members split into two by the Mississippi method. If you're planning on coming on the 6th you will have two choices. You're either in this group or you're with your home chapter. Being with your home chapter will not disqualify you from being in this group. Again the choice is yours. But we are going to be using the 6th as a test. Keep the chatter that's not about this chapter here to a minimum please. And thank you!</p>

Marketing approves of the operational side but isn't responsible for creating or running it. Under that there are two regional commanders with 4 guys. The west is still being built. The east consists of bertascoe, aaron, twisted zack, and myself. UHURU!
