We need to do the AAR and, uh, let the guys speak, and uh they can talk about what went well and what didn't go well, and, uh, we can make adjustments for the next time. And then, make sure they understand, you know, this was the first one. Uh, we had quite a fucking hiccup thrown in, um, with Enrique being arrested, me being down, Jeremy being down, Aaron not being able to make it, uh-- I think Yut is on the ground as well, I didn't mean to leave you out of there, Yut. I didn't take a knife in the fucking, in the lungs, to watch the power be given right the fuck back to these evil cocksuckers. We need fucking war. We need to take it back. And we need to fucking get these motherfuckers. Judge, jury, executioner, we need to fucking hang traitors.</i></p>

9:22:12 AM	Johnny Blackbeard 759787552	I don't think there ever was really a plan. I know I had no input if there was. We were caught off guard for sure.
9:23:20 AM	Noble Beard The Immortal 1261651524	Lmfao
9:23:55 AM	Noble Beard The Immortal 1261651524	There was definitely not enough planning for this rally. We were busy trying to set this thing up.
9:24:30 AM	YutYut Cowabunga 586406520	Well for starters there was only like 20 MOSD guys even there
9:24:38 AM	YutYut Cowabunga 586406520	Everybody bailed
9:24:44 AM	Noble Beard The Immortal 1261651524	Yes. Not enough people
9:36:04 AM	YutYut Cowabunga 586406520	I'm not sure if that's possible
9:37:45 AM	Twisted Zack 585158078	It is very possible. Just need time to plan
9:43:31 AM	Johnny Blackbeard 759787552	We will have to get ourselves in order though or dudes are going to stop coming out
9:54:01 AM	Captain Trump 454128414	Thats depressing to read after everything that went on yesterday
9:55:17 AM	Johnny Blackbeard 759787552	<i>Yeah, you know, the normies, they stopped 25% of the way in. That fucking building should still be occupied right now. They should have cops stuck inside that building. They should– they took it. They were there, they were in. But instead they decided to run around and take a bunch of fucking selifes. And, you know, steal some memorabilia to prove that they were in there so that their conviction is assured. And, they just, they stopped 25% of the way in. Because it’s clear to me at this point, the American people, the, you know, air-quotes "patriots," they’re looking for somebody to save them still. They want us to do it for them. And Proud Boys can’t bear this burden. It’s too big for us alone. We needed them to step up, and all they gave us was 25% of a measure. And now they’re all back home and, uh, yesterday’s events are gonna be used to smash us in ways we couldn’t even imagine. It’s just-- I don’t even know, man. At this point I’m getting ready to get together with my guys and talk about how we’re gonna proceed when all of this shit comes down. Because it is coming down.</i>
