11:24:18 AM	Captain Trump 454128414	Looking back, it sucked, we shoulda held the capital. After trump conceding today, it all seemed like a waste
11:25:36 AM	Rod (Venezuela) 688889562	Yeah I just said that one the main chat. We should have attacked the capitol today, not yesterday. Burn that shit to the ground
11:25:45 AM	Rod (Venezuela) 688889562	They should have let them finish the counting and when they didn't accepted the challenges, Rush in and set fire to that shit
11:49:29 AM	Captain Trump 454128414	Yup

Time	Name	Message
1:05:56 PM	Captain Trump 454128414	The reason why it feels like a waste is because instead of all these politicians getting scared and realizing they need to answer for this fraud, they are all turning on Trump and cucking, they are doubling down on their actions. Everyone shoulda showed up armed and took the country back the right way
1:06:18 PM	Captain Trump 454128414	And fuck you fbi, yeah I’m mad.
