12-28-2020 @ 0938 hours, spoke with the spokesperson. The following was discussed:

- Advised him of that I have not received the updated application. He stated he sent it on the 23rd. I asked him to resend it because I have not received it.
- Asked him if the MOC have been confirmed, he stated yes. The list of speakers is all he has that is confirmed for the event
- Advised him of the vehicle screening procedure. Offsite and then New Jersey and C prior to offloading his equipment. Then screen again at New Jersey and C prior of reloading. Advised that we cannot permit for parking as the vehicle unload they will have to depart and return
- Also reiterated that he is responsible for maintain his numbers to 50 person or less for the duration of his event. If he does not and is find in violation of his permit, appropriate police action will be taking to include shutting down his event

@ 0943 hours, updated application received.

- Please see attached email

@ 1139 hours called Mr. Brown, went to voicemail, message left to return my call at this earliest convince to discuss details surrounding his event

@ 1208 hours, called the additional number on the application (567) [REDACTED] and got a Mr. Nathan Brown who stated:

- Mr. Brown might have placed his number on the application by mistake he (Mr. Brown) is the contractor for the event. I inquired if he has any additional information that he could give me for the event. Mr. Martin said there are a few events that they have going on and he does not know which one I was referring. When I asked about the "few events", he stated that the events were in the hotels. Mr. Brown would be the best person to contact for any additional information regarding the One Nation Under God. He only deals with the logistics and the hotel bookings for the event.

@ 1421 hours, Mr. Brown returned my call. The following was discussed

- I see that is Mr. Ali Alexander listed as a speaker for your event can you elaborate. Yes, he is the President of Stop the Steal and is one of the speakers/host for the day. Mr. Alexander will be speaking about three to four times at a few events on January 6, 2021 to include Freedom Plaza.
- Who is Nathan Martin? Nathan Martin is associated with Stop the Steal and travels with Ali Alexander. He said he does not seems to have an official title but he deals with the daily operations to include hotel bookings and car rentals. Mr. Brown goes directly with Mr. Martin and Mr. Alexander regarding coordinating the One Nation Under God event. Explained that when I spoke with Mr. Martin he acted as if he had no information on the event and to go directly with you for information. Mr Brown said that he was shocked that he would say that because he is in daily communication with Mr. Martin for information regarding the event. He does not understand why he would say that or not give me the information I requested.
- Are you aware of the website Wild Protest? He is personally not aware of the website. He is contracted as the event planner and does not deal with the social media aspect.
- Website: wildprotest.com, donorbox.org, stopthesteal.us
- I gave Mr. Brown the website for him to look up to see exactly what I was referring too. The website has a map that has a star on the map that says Come Here in Area 8 and if you click on the map there is a star on Area 9 that says meet here. His initial application requested Area 9, which was unavailable, and then he requested Area 8.

Coordination Questions

The speakers that will be speaking at both Stop the Steal and One Nation under God has Ali Alexander and CJ Pearson to name a few. I explained that it appears that the Stop the Steal and the One Nation Under God is one in the same due to the similarities and the affiliation with Ali Alexander. I advised Mr. Brown of my concerns of not being able to regulate their numbers to 50 persons or less. I explained that once information is on social media it is hard to regulate the number of participants. If his event is in fact one on the same Capitol Police will not be able to accommodate his event due to the participant numbers being out of regulations and a public safety issue. Per Mr. Brown he communicated all the rules with the group to include the 50 persons or less and they are aware that they have to keep their numbers regulated to 50 persons.

- Advised that if on the day of his event and he cannot maintain his numbers appropriate Police action will be taken to include shutting down his event
- Also, advised he can touch base with NPS to see what there allowance would be on 3rd Street Grassy Portion
- He would like to move forward with his event as planned with 50 persons for January 6, 2021.

@ 1750 hours. Email sent to the spokesperson to provide information on how he plans to maintain his numbers to 50 persons or less along with an event timeline.

- Please see attached email

@ 1601 hours, spokesperson called to inform that he is working on a plan on how to ensure the crowd will maintain at 50 persons

- Reduce the amount of hours at the Capitol in Area 8
- Planning for Freedom Plaza, to have the major speakers. At the Capitol there will only have the MOC speaking
- Co-sponsoring the events at Freedom Plaza to have a longer event there
- He is a certified Fire Marshal and crowd management so he understands why it is being asked for the numbers to maintain. He wants to comply to be able to have a safe event with in regulations
- He advised once he has a concrete plan he will send it over tomorrow

Phone conversation: 12/21/2020 @ 1330 hours

Called SP and advised them of the following

- Area 1 not available
 - Selected Area 9 as an alternate location
- CPB Order restricting mass gatherings to 50 persons or less
 - SP advised that he put 1,000 as a hopeful number but does not believe he will come even close to that number. I stated if he was to reapply for 50 participants he must adhere to this.

Advised that he will need to resubmit his application, using the most recent version of the application to reflect the area and participant # changes.

Provided email address

Stated that other than the signs (which will be message based) they may have a bull horn.

He stated that there will be NO MARCH associated with the event.

SP was also quite surprised to find out that so many locations were already reserved for other applications, leading me to believe that they are not affiliated with the larger group.

they plan to have. They will also have Jewish participants who will blow one Shofar one time at the beginning of the program each day.

She was also not aware that the event time needed to include the set up and take down time and requested to have two hours added on the front and back end of the event as the event program will run 1200 pm to 5:00 pm both days.

She stated that the stage and sound equipment will be brought by the other SP Chris and to contact him for more detailed information. She also stated that they will probably have back drop banner. I advised that it will not be able to be on the stage but rather on the ground. She stated that she is fine with that but to let Chris know as well.

12/30/2020 @ 1243 hours called other POC for the event as he will be bringing the equipment

The sound system is a Bose L1 Compact System with wireless microphone that will be placed on the stage

There will be either one or two banners with the message Kingdom Come on it. (not an advertisement) that will be on the ground by the stage not on it.

He confirmed that the only music will be recorded music for the purpose of interlude or for congregational singing as part of the prayer program and between speakers.

SP called to inquire if Area 1 was available so they could have access to electrical. I advised that area 1 is only available on Tuesday and not on Wednesday (restrictions begin this day). She asked to switch to Area 1 on Tuesday (Jan 5th) and remain in Area 15 on Wednesday (Jan 6th). I advised that I will need her to email me with that request as we need the change in writing.

She mentioned that in the interest of time they will most likely secure a vendor for the stage of the event. I advised that if that is the case she will need to advise in email any changes to the size. She stated that the vendor was requiring a 6 hour window for delivery which would change the start time of the event.

I stressed again that all changes must be emailed to be to have a written record of them.

12/30/2020

SP emailed later in the evening with the change for the area only and confirmed that they had reviewed and understand the information provided. No mention of the change to stage was provided.

12/31/2020

Replied to SP in email stating that I received the information provided in the email and if there were any changes to the stage that she needs to let me know ASAP
